

Bellary V V Sangha's
VIJAYANAGAR COLLEGE HOSAPETE
(Affiliated to Vijayanagar Sri Krishnadevaraya University, Bellary),
Accredited 'B++' Grade by NAAC

INTRODUCTION

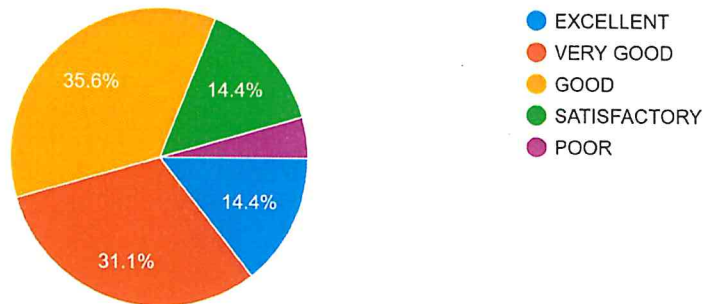

Feedback is an essential element of the learning process. The University collects the feedback on various curriculum aspects and courses from different stakeholders such as the students, alumni, Faculty, Employers and Parents through online. The feedback collected from the individuals has been analyzed and taken to the consideration for the development of curriculum, teaching learning process and environment.

STUDENT'S FEEDBACK ANALYSIS

15. Internet facilities are available in the college

90 responses

16. Clean drinking water is available in the campus and campus has adequate power supply

90 responses

ANALYSIS

Student's feedback plays a major role in improving the quality of education and the learning atmosphere of an institute. Positive response has been given by the students with regard to extent of coverage of course, learning values and practical content of the curriculum. Good amount of response has been given in case of the availability of prescribed books/reading material, equipment's in the lab and availability of clean drinking water in the campus. Few students seem to be unhappy with the academic exposure, online educational resources and internet facilities availability in the campus, in regard to which necessary actions will be taken in improving the issues.

ANALYSIS

The contribution of alumni to the activities of an institute is substantial especially in the development of the curriculum. Majority of the members have given positive feedback with respect to the admission procedure, infrastructure and lab facilities, faculty, project guidance and library facilities. Most of the responses are positive in regard to the overall rating of the college. Canteen facility has to be improved considering poor feedback from alumni.

ANALYSIS

Feedback from the faculty in regard to curriculum is a very essential aspect in successfully implementing teaching-learning improvements. A good amount of response has been received with regard to framing of the syllabus, Practical aspects, workplace challenges. Teachers have given positive response with regard to upgradation of curriculum and level of good planning and management skills of the management.

Considering the suggestions given, level of encouragement/support with respect to research activities should be given by management and adequate number of reference books and textbooks are to be made available to the faculty.
