### **BIG FORK & ELAN 2K22**

Big fork & Elan (Food cum Cultural Fest) was organized by BBA dept on 30<sup>th</sup> June 2022. The festival was inaugurated by V.V sangha's President Sri Guru Siddaihswamy . the remaining stalls were inaugurated by Chairman Sri.Asundi Nagaraj Goud, Dr.Prabaiha V S Principal, Prof.K M Karibasiah HOD Electronics, Mr.Mallikarjun Goud Pricipal PU Vijayanagar College , as reported by Mr. Sikandrar Basha HOD BBA It consists of 12 stalls around 8 stalls were allocated for food and remaining were for entertainment.

It was a fun filled Food fair & helped students to learn the team work, collaboration and creativity. The idea behind this competition was to enhance the management skills among them. From this they also learnt about Hotel management techniques.

The main purpose of this fest was to put their theoretical knowledge into practice. This sharpened their skills and provides hands on experience for preparing food for guests and also serving them.

The fest also helped them to know the buying patterns of customers and they learnt how to attract the customers & grabbing their attentions.

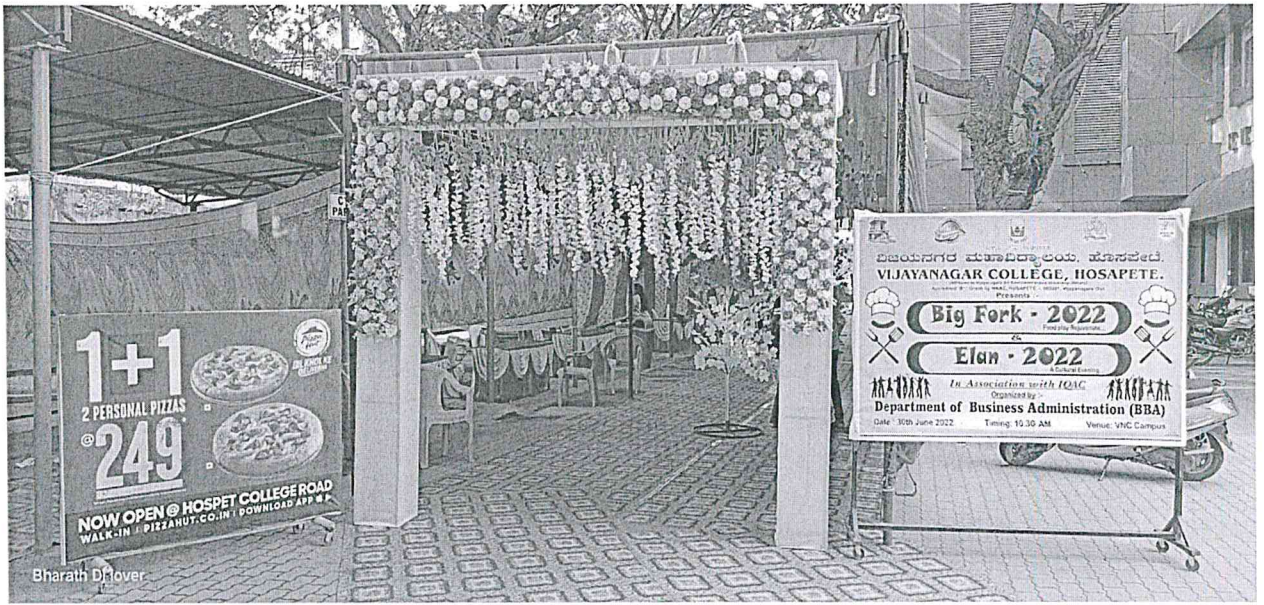

### **The competition was judged by**

Smt. Bharathi .k  
Miss. Adila,  
Smt. Huvvaka &  
Miss . Netra Faculties of Vijayanagar college.

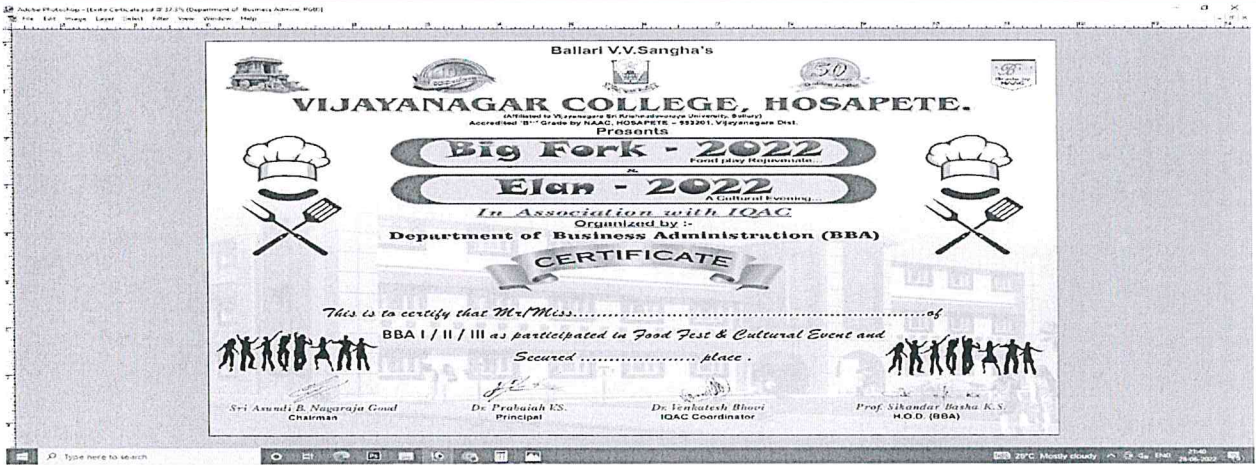

This event has received overwhelming response from the people who were presented over there, even judges has given positive feedback towards the competition. This kind of response instills confidence in the students.

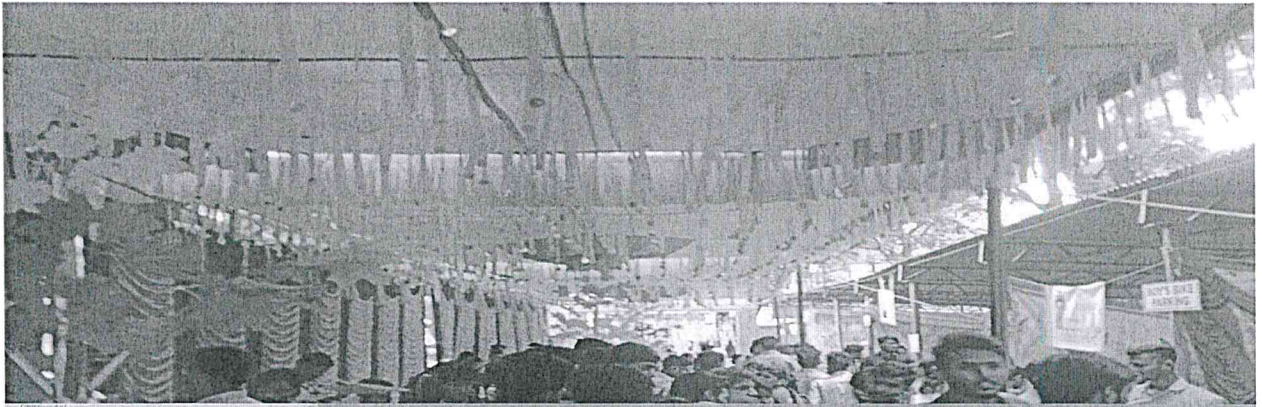

It helped in motivating students to work with sincerity and zeal in the future too.

Place: Hubli**

**Technical session**

The technical session was attractive and is held by G.M. Basavaraj Angadi. Parle Pvt Ltd., Hubli , It is the 1<sup>st</sup> CMU ( Contract Manufacturing Unit) in India which was established in 1984. This unit has capacity to produce 60 tons of parle biscuits per day in which 5kgs will be wastage, but actual waste will be 1.5kgs in that good quality waste will be recycled and bad quality waste will be burst. All over India Parle Industries have 112 units and in which 5 units are mother units and 107 is (CMU). In Karnataka Parle has 5 units, i.e, Hubli, Mysore, Hospet, Belagavi, Mangalore.

The packing label and Boxes will be manufactured in Goa, and manufacturing date will be printed on label in their own, manufacturing process unit and the product carries expiry date of 5 months.

The Parle Industries is highest seller of biscuits in the world. Each unit will produce 2 products. In Hubli basic is Parle- Gulcose biscuit and Second product is Parle 20-20cookies but due to some reasons they stop the production of 20-20 cookies.

## Plant visit

**Timing:-5:02Pm to 5:30Pm**

**Date: 16/12/2021**

By Manager (Basavaraj Angadi)

After technical session we entered the plant with instructions given by the manager at 5:02 Pm , Mobile phones were restricted due to security reasons .later we entered and we explored everything in detail about production process and they maintained hygiene at every process of production of biscuits. They use “Kaizen” a Japanese technology for their production process.

They use ingredients like Maida, Sugar, Vanaspathi, salt and Gulcose essence for preparing Parle-G biscuits.

They have in total nine ovens for manufacturing 60 tons of biscuits with connection of LPG pipelines. The plant has a capacity of 9 ovens which is the Asia’s first of its kind .

### Process of manufacturing Parle-G biscuits

It has Five stage in the process of manufacturing biscuits .

- In the first stage they check the quality of raw materials in Laboratory.
- In the second stage , straining of maida will be done.
- In the third stage , there is a mixing process of all the raw materials with the standard quantities fixed before.
- At the fourth stage after mixing there is a doughing raw materials will takes place and moulding of the same
- And in final stage i.e fifth after moulding it will moved to baking , it take around 4 minutes for baking.

After baking it will take 4 minutes for cooling process. At last packing of biscuits will be done on the basis of quantity.

An Essay competition on the topic 'Mobile Phones that changed our lives' was announced for the students on 25<sup>th</sup> November 2021. The students asked to enroll their names with Prof. Karibasaiah, HOD of Electronics. It was published in students' whatsapp group and on notice board. It was open to all disciples of students. The essay competition was scheduled on 3<sup>rd</sup> December 2021.

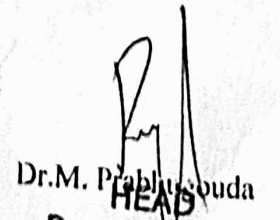

Total 121 students enrolled their names but on 3<sup>rd</sup> December only 90 students were wrote essay for competition. The competition declared open by the President of College governing body Sri. Asundi B. Nagarajagouda, presided by In charge Principal Dr.M. Prabhugouda. All the staff members of UG and PG of Physics, Prof. Karibasaiah were present. PG staff Sridhar, Swetha, Bhavani and Deepa conducted the essay competition and evaluated the Papers.

The students wrote the necessity of mobile phones and advantages and disadvantages of the use of mobile phones. They appreciated their use in lockdown period. Overall it was a grand success and students were happy to participate in such activities.

Three prizes were announced on 23<sup>rd</sup> December 2021. The winners list submitted to the Science association coordinator. The prizes will be distributed on National Science Day to be celebrated in the College on 28<sup>th</sup> February 2022.

SCIENCE DAY CELEBRATION BY DEPARTMENT OF PHYSICS

---

The science day celebration in the college begins with two lectures organized on 26<sup>th</sup> Feb 2019 by the dept., of Physics

Dr. Basavaraj A Kigali. Former Professor & Chairman, Dept. of Physics Bangalore University Bengaluru, was the invited speaker

In the inauguration ceremony students along with staff & invited speaker showered flowers on the photo of sir C V Raman .The inauguration of the function was done by watering the plant by the invited speaker ,Principal, Staff of Physics dept and the students on 26<sup>th</sup> Feb morning at 11.00 AM he delivered the first lecture on “Life and Achievement of sir C V Raman” his lecture was very informative he shows may slides released to Raman life he explained Raman effect elaborately and application of Raman effect. M.Sc., physics students took the lead in organizing and managing the event with the help of staff.

The second lecture was on the same day at 3.30 PM Dr.Basavaraj A Kagali explained the different theories of universe with beautiful slides the step wise development of our knowledge about universe was neatly explained by the speaker. Students interacted with the speaker and enriched their knowledge

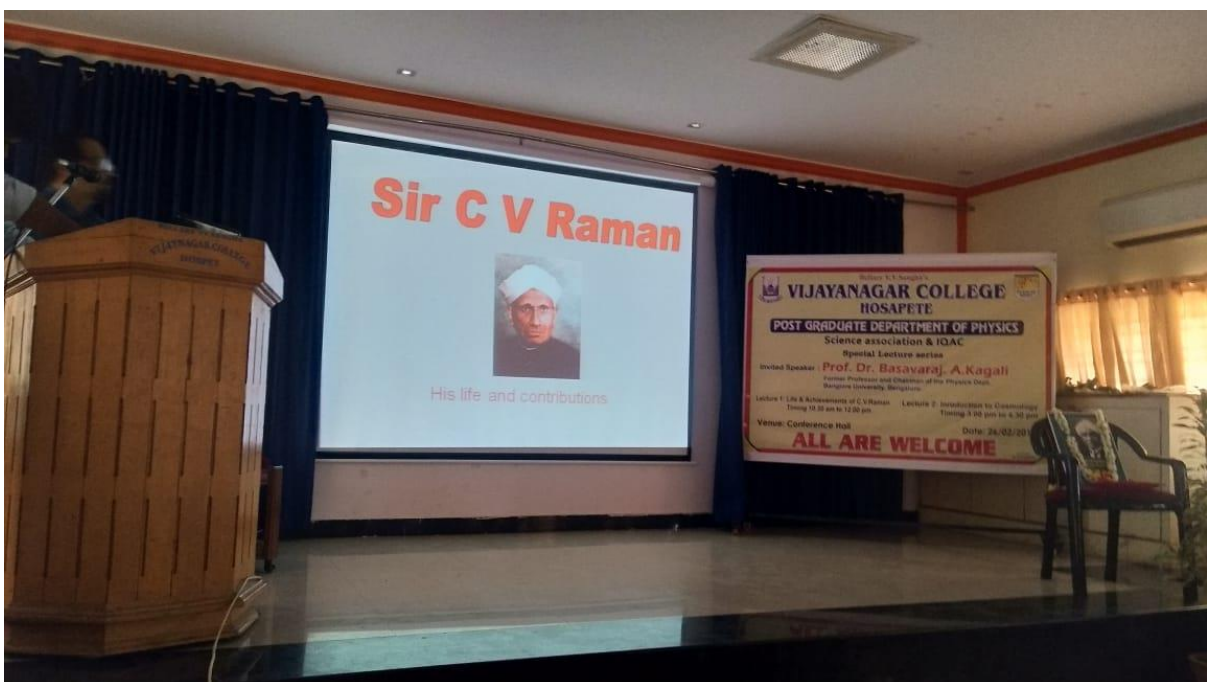

These two delivered lectures exposed our students to the present day knowledge of our universe and the hard work of C V Raman and orated interest in their about the subject
