YOUTH & RED CROSS WING
REPORT ON BLOOD DONATION CAMP - 2022

On 02nd December, 2022 (Friday), in our college organised a **Blood Donation Camp**. The camp was organised by **Youth & Red Cross Wing** of our college in association with HDFC Bank, Hosapete, IQAC, NSS, NCC, Scouts & Guides, Dept. Of Zoology, Government Hospital, Hosapete, VIMS Blood Bank, Ballari, the faculty to help the Thalassemia patients. The camp took place in the quadrangle of our college.

The programme was inaugurated by Chief Guest Dr. Somashekhar at 9.30am. Sir in his speech, as we all know, blood is a very important fluid that flows through our veins to transport minerals, energy and also helps to maintain the body temperature in every kind of weather. Your life can go in danger in case you have a deficiency of blood in your body and you need it but cannot get it because you have a rare blood type. Blood donation helps people to get the blood they need through transfusion. But for the transfusion to happen, there should be donors available. This is where young and healthy people come into picture where they can do blood donation. After the donation of blood, it is stored in the blood banks from where it can be given to the patients when they are in need of it. Our one donation can save the lives of up to 3 people in danger. You will be a life saver by donating just 15 – 20 minutes of your time and a pint of blood in a pain-free and easy process. You get to save their lives and your own since you will get to know more about your own body and will be able to make changes according to the need.

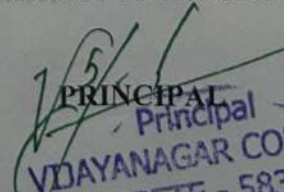

The Principal of the college welcome all the dignitaries of the programme. Our college Governing Body Chairman, Sri Asundi B Nagraj sir has given the Presidential Remark. In the Blood Donation Camp, about 120 students has donated their blood & more than 500 students undergone blood group testing. Many of our staff members including Principal have donated blood. More number of students with teaching and Non-Teaching staff have actively participated in the programme.

The college had arranged for refreshments for those who donated blood in the camp. Students and other people who had participated in this blood donation camp were given certificates and a small gift hamper. To watch over the entire process and to collect the blood, a team of five doctors were put in charge. The college had also arranged for a resting room for anyone who felt dizzy or sick after donating blood. NCC, NSS, Scouts & Guides students had help us to organise the blood donation camp The day ended with the National Anthem and a heartfelt vote of thanks from Ravikiran D of Commerce Department.

Outcome of the Programm:

1. Students have benefitted about the importance of Blood Donation and Blood Group testing.
2. Most of the students know their Blood Group.
3. Students both male & female know the significance of Blood Donation .
