DEPARTMENT OF POLITICAL SCIENCE

EXTENSIONAL ACTIVITIES

We conducted a Special lecture on 9th April 2019 KAS officer Khaja mynuddin. A special lecture program on competitive exams is a targeted educational session designed to provide students with guidance, strategies, and tips to excel in competitive examinations. These lectures typically cover topics such as exam patterns, syllabus, time management techniques, problem-solving strategies, and effective study methods.

Key points of a special lecture program on competitive exams may include:

1. Overview of popular competitive exams.
2. Exam preparation strategies and study tips.
3. Time management techniques during exams.
4. Mock test practice and analysis.
5. Guidance on choosing the right study material.
6. Motivational talks to boost confidence.
7. Q&A session to address students' queries.

By organizing and participating in such special lecture programs, students can enhance their exam preparation and increase their chances of success in competitive exams.
