

**VIJAYANAGAR COLLEGE, HOSAPETE,  
DEPARTMENT OF CHEMISTRY**

**Report of the Lab visit to SUMS Techno Labs Pvt Ltd, Hosapete**

Our B.Sc VI Semester students undergoing Chemistry project work visited **SUMS laboratory** on **25-07-2024, Thursday** with all chemistry faculty members. **SUMS lab Technical Manager, Sri.H.M.Shivashankraiah**, was happy with the visit of staff and students of department of chemistry for third successive year and welcomed all very enthusiastically. He assigned three lab chemists to explain working of different instruments present at lab such as pH meter, Conductometer, Magnetic stirrer, BOD, Muffle Furnace, Heating Mantle, Bomb Calorimeter. **Sri.Anand, Senior Environmental Chemist, Kum.Shanti, Senior lab chemist, Kum.Aidas, Senior lab Chemist** explained the students about use of apparatus such as burette, pipette, and brief about SOP's followed at lab for analysis of water, air, soil, and different ores such as Iron ore, Manganese ore, Quartzite, Limestone, Coal etc. It gives us immense pleasure that Kum.Shanti and Kum.Aidas are alumni of our college working in SUMS Techno Lab since more than three years. Also we have MOU with SUMS Techno Lab since four years. All the students are highly motivated by visiting the lab & it was very informative. SUMS lab staff enlightened knowledge of students.
